2018 - 2019

All Star Competitive Cheer is recognized as a sport that allows athletes to utilize their critical thinking skills and allows them avenues to express their athletic abilities. This sport also teaches them about being a good team player, a lesson that's useful in many areas of life, especially the workforce. Athletes in the All Star program start as young as 3 years old, and learn many skills that will help them prepare for high school and college cheer programs. All-Star Cheer is one of the fastest growing sports and many children won't get the opportunity to participate because of the high cost involved. Therefore, we seek your support in the form of corporate sponsorship. Any sponsorship amount is truly appreciated. If you prefer your donation to remain anonymous, please indicate your request.

All sponsors will be recognized on our website for the entire season and sponsorships of \$500 or more will also have their logo and link featured on our website.

_____ General's Level \$1,000 _____ Colonel's Level \$750 _____ Major's Level \$500
_____ Captain's Level \$250 _____ Corporal's Level \$100 _____ Private's Level \$_____

If you wish to participate, please complete the information below and return at your earliest convenience. Make checks payable to Airborne Training Center. Donations and/or advertising costs may be tax deductible. Airborne Elite All Star Cheer thanks you in advance for your support! Upon receipt of donation, an Airborne Elite All Star representative will contact you to obtain your company logo for the appropriate advertising.
